

New Season, New Wiper Blades

Posted by RockAuto - 2014/10/01 09:24

As the seasons change, why not change out your wiper blades? First-quality wiper blades and refills made by Trico, including the latest "beam-style" blades and specialty products like Winter and Teflon blades, are available priced under \$4. Many cost less than \$2!

With Winter and Heavy Duty blades costing less than \$2, it is the perfect time to replace the wipers on all your family's cars! As with all Wholesaler Closeouts, quantities are limited, so get them while you can! Wholesaler closeout wiper blades are not available for all applications.

Find wipers for your vehicle under "Wiper & Washer" in the RockAuto catalog.
