

## RIP, Tom

Posted by OldInjun - 2014/11/03 18:13

---

Very sad news for all of us car fans. Tom Magliozzi, one of the beloved "Tappet Brothers" from NPR's "Car Talk" passed away today.

[Click here for link](#)

As I'm sure many of you did, I spent many hours listening to their radio show, laughing at their corny jokes, and just coincidentally learning some good mechanical stuff.  
He will be missed.

=====
