

'65 2+2 door emblems

Posted by jonsie - 2010/07/22 11:29

Hi-

Can't find the 2+2 emblems that attach to the inside on the door panels.

Does anyone know where they can be purchased?

Thanks in advance for your help.

Try "Babe" Haehnle at 517 782-8706, from Jackson, MI. He has a bunch of NOS parts, and I believe I saw those on his table at Charleston.
