

WTB 65-67 Catalina 2+2

Posted by devauxmidwest - 2014/12/06 16:01

Recently retired and looking for an unmolested 2+2 to give a good home to. Looking for a driver that I can freshen up over the coming years. Prefer a hard top with air conditioning.

I'm centrally located in Colorado and I'm willing to travel to take a look at a potential purchase.

Any information leading to a 2+2 will be gratefully appreciated.

Thanks,

Rick
