Rebates on Monroe, KYB and Gabriel Shocks & Struts to End Shortly! (Apr. 30th) Rancho Rebate Runs Until June.

If you plan on replacing the shocks/struts on one of your vehicles this summer, this is a reminder that April is an unusually good time to buy those parts. The big shock and strut manufacturers are trying to outdo each other with the great rebates available at RockAuto.com in April! Rebates on Monroe, KYB, Gabriel and Rancho shocks and struts (including spring load assist, air shocks and complete strut assemblies) mean a huge percent cut off RockAuto's always reliably low prices. For the rebate form, just open the RockAuto.com catalog and click the "(Rebate/Promotion Available!)" link next to the shocks/struts for your specific vehicle.

Thank You,
RockAuto.com
