

Norwalk Pontiac Nat's

...is this weekend, Friday - Sunday. If you've never been, go.

Several members have asked if there would be a repeat of 2014's 2+2 Reunion. I had contacted the promoters months ago to try to set that up, but they were not responsive. In the meantime I had changed my plans - I intended to bring my '63 Cat race car instead of the 2+2, to participate in the racing.

Unfortunately the race car has suffered a major engine problem and will not be ready, so it's back to the 2+2 on the show field.

Yesterday I corresponded with the promoters to try to get our dedicated 2+2 area on the field, but that is a no-go. I personally think they are hurting themselves, as we had a good turn-out last year and making it an annual event would benefit them, but I don't make the rules.

So as an alternative, if you bring your 2+2, we can try to park together amongst the other full size cars. I will have some signage up on the blue canopy, so be certain to stop by and hang out. It's always enjoyable to swap our 2+2 stories.

Just got back from Norwalk this afternoon, great to see some old friends and meet some new. Hope everybody had a safe trip home, in this the year of electrical troubles.
