

WTB 2+2 automatic convertible ('65/66?)

Posted by JME37 - 2015/07/29 10:44

Hi Folks! I am obviously new on the site. I came on because I'm searching for a '66 convertible 2+2, preferably automatic (wife's preference!) :)

We're located in Atlanta so that geography is definitely preferable.

Thanks for any help you could lend in the search!

John

Keep checking the "For Sale - Cars" tab here. Also suggest a nationwide Craigslist search, Good luck - let us know when you find one!
