Jensen Classics in Sioux City Iowa has a 1968 Canadian 396 coupe for sale - it's white with a blue interior - the description on their website has this posted:

This particular Parisienne is powered by a 396-CID big-block. This white 2+2 is equipped with power steering and brakes, a working AM radio, bucket seats and console, automatic transmission, plus an aftermarket air cleaner and dash-mounted gauges. Asking \$19,900. Lots of pictures posted on this website:

Website listing at:

If you are a serious buyer I live very near Sioux City and I possibly could give you a amateur inspection - no guarantee that I would not miss something - a 396 2+2 has to be rare
