Here's another gent looking for a 2+2:

"Pontiac 2+2 Registry: 1970 2+2

Sheldon

When I lived in Canada I owned a 1970 2+2.
During the late 70's I moved to the US and had to sell my car.
I would like to relive the feeling I had driving that car.
Are you aware of anyone who owns a 1970 convertible
who may be interested in selling the vehicle."

contact Sheldon directly at sheldondash@hotmail.com
