

1966 Pontiac 2+2

Posted by studelover - 2016/05/01 19:44

I am looking for the inside emblems "2+2" on a 1966 2+2 door panel. If anyone has a set please call at 240-274-8628 Rodney. I am working on my interior now, once the panels are on I will no longer need these emblems.
