

Former owner looking for '66 coupe

Jackie Graves in MS is hoping someone knows what happened to his '66 2+2 coupe, 338hp 3-speed manual, burgundy w/dark red interior, console. He bought it new at Rosco Moore Pontiac and traded it in at Tyler Buick, Jackson, MS, in 1973 (we've all made mistakes!).

Also, anyone who knows of a '66 for sale, let me know - he's got the urge for another one.
