

POCI Convention & Norwalk 2016

Posted by OldInjun - 2016/07/05 12:40

Next week, 7/12-7/16, the world's largest Pontiac Club will hold its annual convention in Bettendorf, Iowa. If you're a member and attending, please look me up to say "Hello". I'll have the Fontaine Blue '65 in the points-judged area.

If you're not a member of POCI, I highly recommend joining! your annual membership includes delivery of 12 monthly issues of "Smoke Signals" - the best all-Pontiac magazine anywhere (and not just because it's the only one left).

Follwing that event is the Ames Tri-Power Nationals @ Summit Motorsports Park, Norwalk, Ohio, August 5-7. This should be on every Pontiac fans bucket list - drag racing, car show, car corral, and probably the biggest Pontiac parts swap meet anywhere.

Currently I am planning on racing my '63 Catalina "Old Injun", not the 2+2 this year.

You're welcome! I was hoping to run into after I saw your car. Maybe next time!
