I'm guessing more than a few of you will be attending the Tri-Power Nat's @ Norwalk, Ohio, next weekend. Here is an appeal you those people:

If you are a Pontiac-Oakland Club International member, we need some volunteer help to man a table where we will be recruiting new (or renewal) members. The table is being set up at his tent by Merle Green, POCI Director and past-President. If you can spare any time (even an hour or two), check in with Merle at his tent (next to the Ames trailer) on the show side of the track.

If you are NOT a member of POCI, stop at POCI's table and sign up. It's the largest Pontiac club in the world (9000+ members). Not only does your membership support the Pontiac hobby, it includes a subscription to the best all-Pontiac magazine published anywhere - "Smoke Signals". Don't need a paper copy every month? Save money and sign up for a digital membership, which includes online access to current & past issues of "Smoke Signals".
