

## Hurst Shifters vendor referral

Posted by OldInjun - 2016/09/07 15:21

---

A Registry member just asked me for a referral for a rebuilt shifter, and I realized I should share it with other members.

Several years ago I was considering having my 4-speed factory Hurst shifter rebuilt, until I ran across a gent at Norwalk who offers rebuilt shifters for about 1/2 the price of the rate that some rebuilders were asking. I bought one, and have been very happy with the shifter.
