FWIW - below is a copy of a message I received from someone named Will - not a member, that's all I know about him or the car:

I am looking to sell my 1986 2+2 aerocoupe, the car is in very good shape and has had a recent restoration (paint/stripes/back glass seal/exhaust and more) and has been appraised. I have the original wheels and it currently has aerowheel nascar wheels that are street legal. The car has 69,000miles and the interior is very clean, non-smoker. my email is cha66gr@yahoo.com if anybody is interested.
