Bit of a haul for me - 800 miles one way - so I won't be there.
I drove the 2+2 there for the 2012 POCl Convention. Made the return trip in one shot - 17 hours.

Well then I'll have to wait till next year when the POCl comes to Wisconsin to meet you then!

You will love Norwalk.

Look me up on the pit side, would love to meet. I won't have the 2+2 there, but my '63 Catalina race car, named - of course - "Old Injun".
