

1966 2+2 Coupe - 4-speed

Posted by OldInjun - 2017/09/03 17:05

Member Tom is selling his '66 hardtop coupe, red with black interior, 8 lug wheels, 4 speed, wood grain wheel, am-fm radio. Odometer shows 107,000. Car is located in Connecticut
According to Tom, he's "...owned it since 1990 and worked on it slowly. There's a bunch of little things left to do. I got it with a black California plate and from the looks of it was not in the northeastern region for long. It had very little rust. A couple patches in the rear quarters. Trunk and floors solid.

Asking \$18,500 including the spare 421

You can reach Tom via email: darceyfurniture@att.net
