

'66 Coupe wanted

Ed in Texas is looking for a '66 2+2 coupe. He wants a nice, restored car and is realistic about his budget. He prefers an automatic, but would take a 4-speed. Air conditioning is almost mandatory. Preferred colors are Barrier Blue or burgundy, but he's flexible on that.

If you have - or know of - a good candidate for sale, call Ed directly at 817-410-1961. Tell him I sent you.
