It's taken some time to get organized, but on March 20,2018, we were granted a charter as the 102nd chapter of the

Pontiac-Oakland Club International!

We have 20 members so far, and will hold our first meeting at the POCI 2018 Convention at the Wisconsin Dells in June. If you are a POCI member, please join us! As an incentive, one of our founding members (who chooses to remain anonymous) has generously offered to pay the first year's chapter dues (normally \$10) for any new members who sign up through March 2019.

Let's get this going!

We are at 40 members and growing quickly.

Sign up now to maximize your "free dues" for 2018.

Anyone who wishes to join should send an email to jgand789@hotmail.com with the following info:

Name

Address

Best phone number

POCI membership number

Year/model 2+2(s) owned - if any, not a requirement

Annual dues are \$10, though we have a generous (but anonymous) member who is paying everyone's

dues for 2018.

First dues are due by 1/1/19. Payment can be made via PayPal to account "2plus2chapterpoci@gmail.com", or request a mailing address in your email.

We have grown the POCl 2+2 Chapter to over 60 members so far, growth driven in large part by Dave Wanichak's Facebook page and an anonymous member benefactor who paid everyone's dues for 2018.

Here's some good news:

Our generous member has a goal of 100+ members, and has extended their offer for new members (not renewals) through the end of 2019!

Let's do it! Please tell your 2+2 friends and encourage them to join.

We are actively recruiting members for the 2+2 Chapter of POCl.

If you'd like to see a sample chapter newsletter "The Big Brother", email me at jgand789@hotmail.com and I'll send it to you.

We have a good group of 2+2 owners and fans, many who are also Registry members. The only requirement is that you be an active member of POCl, the world's largest Pontiac club, at www.poci.org.
