

1965 Convertible sold at Mecum Glendale, AZ 2020

Posted by OldInjun - 2020/03/17 16:23

Appears to be a 2+2 - I find it curious that it was listed as a Catalina, no mention of the 2+2 option - clone???

Factory a/c, Tri-Power, automatic. Nice looking except for awful seat covers.

Hammer price \$34,100.
