

POCI Convention 2020 update

To fellow POCI and 2+2 Chapter members

The Executive Board of POCI announced that, due to the COVID-19 crisis and the uncertainty of the reopening schedule for the host Hard Rock Casino Hotel, the 2020 Convention has been canceled. The safety and health of our membership were the foremost consideration driving this decision. All those who have paid for convention registration and/or activities will receive a refund check.

Looking forward, our next convention will be held July 15-21 at the Mohegan Sun facility in Connecticut. We hope you will be there in force, celebrating our Pontiac's (Oaklands & GMC's, too) and enjoying the company of old friends! <http://www.pontiac2plus2registry.com/images/fbfiles/images/logo.jpg>
