

Tri-Power Intake / carbs/ air cleaners - 1965

Posted by OldInjun - 2020/11/18 14:05

A friend of mine is offering to sell this complete, concours restored 1965 Tri-Power set up, complete with linkage and air cleaners. He used this very briefly on his '65 GTO (a GTOAA Gold award winner). Absolutely correct and pristine.

\$2500.

You may contact me at 302 353-0244 if interested.
