

1967 2+2 Registry

Posted by 2+2=428 - 2022/01/07 15:51

Good day to all!

Anyone who knows me is well aware of my 1967 2+2 obsession! I've been working on a registry specific to just the 67s and you'll see the link below. I would love to add your car and any information you might have about your car to the page. Please feel free to contact me.

Thanks!

Dave
