

Wanted '65-'66 2+2 vert

Posted by BigBrother - 2010/08/24 13:53

Looking to purchase '65-'66 vert...driver quality or better. If you have one that you want to sell or might want to in the future or know of one that might be available let me know. Your car will get a caring home in rust free socal with a big fan of the 2+2

Thanks

=====
