I WOULD'NT MISS THIS SHOW/RACE. I REMEMBER WHEN THEY WERE PARTIAL SPONSORS, AND THE PROMOTER WAS ROCK & ROLL ENGINEERING, BRUCE FULPER, AND THIS MAPLE GROVE EVENT WAS GREAT. TREMEDOUS TURNOUT ANG LOTS OF GOODIES WERE GIVEN AWAY.

Performance years is putting a lot of effort into this event. If it gets enough popular support it has the potential of growing to be the largest annual Pontiac event on the East Coast.

If you're planning on attending they are offering FREE car show entry if you pre-register prior to April 17 - [Click here for link](#)
