I've heard this is a good show. Sponsored by the National Capitol Region Chapter of POCl.
Burdett Brothers is a car dealership in Hyattstown, about 1 hour west of Baltimore.
Show registration is 9-noon.

Yes. an excellent show , take a left when you see the dragstrip on your right, follow the road till dead ends, make another left and you can see Burdette. I went many times and always garnered a trophy in the 65=70 full size class (lots of GTO owners appreciate 2+2s) great club to join also .If you are leaving from Delaware, head out by 6:30 am. takes about 2 1/4 hrs
95 to 695 west to 70 west. to Hyattsville or is it Hyattstown exit (just before Frederick)
. Be prepared for changeable weather and have a great time, John

The show was excellent. Threatening skies cleared up nicely. Quite a few neat Pontiac's were there, including a '70 GTO Judge brought by it's original owner (who is now 82 years old).
Here are a few pic's-
