

## 2+2 Reunion @ Norwalk?

Posted by OldInjun - 2011/11/18 09:54

I am trying to organize a 2+2 Reunion at the Tri-Power Nats at Norwalk, 8/3/12-8/5/12. This is the best Pontiac event of the year, and it keeps getting better. Car show, drag racing, vendors & car corral all crammed into one venue for 3 days of Pontiac fun.

I'll need a preliminary car count for talks with the organizers. How many 2+2's would plan on attending?

That means you have to push them to get your car done! No GTO's allowed in a 2+2 Reunion.

Woo-hoo! Three '65 2+2's caravanning from Delaware to Norwalk. I doubt if there are many spots in the country with that many 2+2's in a 3 mile radius (not counting the occasional lucky owner of multiple 2+2's).

Anyone else want to join along the way? What a sight that would be!

Jack, I plan on being there, this year was my first and I had a great time. I hope to bring my BIG GTO next year.

I guess since you're coming from another direction you won't join our caravan, but we'll be glad to meet you there. I'm sure Gary Kittle will join us in his red '66 coupe (since he's fortunate enough to live an hour from Norwalk), so that puts our group at 5 so far.

You bet - to get info on the main event [Click here for link](#)

If yo haven't yet attended the Ames Tri-Power Nationals, you have to put it on your list of must-do car events. There is something for every Pontiac'er - judged car show, car corral, flea market, and high-powered drag racing - all in one venue. Ames does a great job as the event sponsor, generously providing refreshments, meals, and giveaways. Last year I even won back my entry fee (hard cash on the spot). Except for 900 miles worth of premium gas, a very inexpensive weekend of Pontiac fun!

For more info specific to the 2+2 Reunion, stay tuned right here. As this is the first of its kind at Norwalk (and hopefully - depending on attendance - the first of many) plans for the 2+2 Reunion are still being formulated. The more 2+2's that show up, the more cooperation we will get from the event promoters. It's up to you guys to demonstrate your support for the 2+2 niche of the Pontiac hobby if you want this to continue into the future.

Hope to see you there!

Here's an exclusive "Norwalk Room Alert" for you Registry members - we aim to give you value for every cent of your membership fee (okay, that's just a joke - we're not going to start charging):

I just booked some rooms for Norwalk. The promoters have worked out a discounted rate of \$70.99/night at the Motel 6 in Milan,OH - 7.6 miles from the Summit Motorsports Park. For those who haven't attended before, Norwalk is apparently a hotbed of summer tourism (go figure), so mediocre rooms are scarce and over-priced. This rate is actually pretty good, so they'll probably go quickly.

You can contact the motel at 419 499-8001. Do not hit any of the voice prompts - just wait for the front desk to pick up. I initially dialed for "future reservations" and was told that only one room was left. The front desk people have access to some rooms that are set aside. You need to mention that you are attending the "Pontiac Nationals" and ask for the "TRI POWER RATE".

You snooze, you lose. Or, you will snooze in a pop-up tent, as I did the last two years. Actually, it wasn't that bad.

I spoke with the good folks at Super Duty Promotions, and plans for the 2+2 Reunion are coming

together. We will be parking all the 2+2's together, so I hope we have an impressive contingent.  
Any suggestions on what we can do to make this a good experience, send it to me, please.
