

150 2+2's

Posted by OldInjun - 2012/01/18 20:54

Another milestone - today Patrik Forsberg registered his '66 2+2 convertible. Welcome, Patrik & Congratulations on owning car #150 on the Registry!
Patrick lives in Sweden, and is the 3rd Registry member from that country. What is it about Swedes and Big Pontiac's?

A member of my local car club has at "least 3, 66 2+2's all 4 gears!!! 1 is a 421 for sure, other 2 are 389's. one is being driven & other 2 need "total resto's" He's very protective of his identity, as he has a collection of over 35 US poncho's & 10 or so Cdn. ones, so I will not be able to get VIN. #'s but you can ad these to the totals!!
