

Registry Store

Posted by OldInjun - 2012/02/29 23:22

In case you haven't browsed the home page lately, check out the new link to our 2+2 Registry "store". Help support this website (hey, it's all out of my pocket!) and show your pride in being part of a select group - 2+2 Owners!

Registry Store Sale!

Here's an offer for anyone attending either the POCl Convention or the Ames Tri-Power Nationals in Norwalk:

Purchase any item from the Registry Store for pick-up at the event, and you will not only enjoy the warm feeling of having helped to support the Registry, but you will save any postage/handling fees, and will get an additional \$1 discount per item. I know some of you will put those \$\$\$ to good use - one at a time. That will be our secret.
