

m-20longshaft linkage rods NEEDED

Posted by big block jamo - 2012/03/08 01:32

guys;

i'm in DESPERATE NEED of a set of long tailshaft muncie M-20 4 speed linkage rods. i've installed everything that i need and come to find the rods that i have are for 67-68 which of course are different from the 65 - 66. anybody out there know of a set or someone that can make some for me??? I'M ABOUT TO KILL MYSELF> PLEASE SAVE MY LIFE HELP!!! THANKS IN ADVANCE...
