

1966 2+2 Convertible for sale

Posted by OldInjun - 2012/04/10 15:14

Registry member Johnny is selling his beautiful '66 convertible - 421/338hp automatic, white with new black interior. The car has 57,000 original miles, only 2,000 miles on correct YH code motor since professionally rebuilt by Heartbeat City in Detroit (car resides in Nevada now). Runs strong - drives great.

Pictures are posted in the Photo Gallery.

Call Johnny for details @ 702 427-1422 or email him at Newnaks@gmail.com
