

1965 4spd.

Posted by 8lug - 2012/04/27 21:59

Ebay has another '65- price seems low, some mods, what do you think?

I think you were referring to the car in my previous post in this category - i had mistakenly identified it as a 1966. It was a "no sale" at \$10,100 - reserve not met.

[Click here for link](#)

A lot to correct on this car. For starters, hood has incorrect "Pontiac" lettering & 2+2 emblem on wrong side. Can't get over the 80's J.C. Whitney interior treatment.
