The 2+2 Registry is proud to welcome John Gunnell (aka "087gunner") as a member. John is a well known author of dozens of automotive books & articles, including the Standard Catalog of Pontiac 1926-2002. He has served as Editor and Publisher of Old Cars Weekly News, to which he is a regular contributor.

John is not currently a 2+2 owner (maybe he'll catch the fever here), but he is working on the the '66 coupe belonging to Registry member Don A in his restoration shop.
