

1955 Pontiac Star Chief Catalina project

Posted by OldInjun - 2012/11/26 17:05

1955 Pontiac Star Chief Catalina restoration project, off-frame and disassembled. Located in Delaware. For sale by my friend Hollis Anglin - contact him at hanglin2012@verizon.net . Tell him Jack Anderson referred you.

Here's a picture of Hollis' finished '55 - the donor car he is selling would be the "before" picture:
