

1966 Lower Body Moulding WTB

Posted by OldInjun - 2013/05/20 15:51

Message received from prospective Registry member:

"I am in search of a complete set of 1966 lower side molding for my 2+2 Convertible. Any leads for me?

I just bought the car, and will be adding the info to your site.

Thanks,

Brett

518-852-2858"

Can anyone help him out?
