Congratulations on an excellent addition to your car. I have seen the wheel, and it is in great shape.
Personally I think an unrestored Deluxe wheel in that shape is more attractive than the high-dollar
(\$1100-\$1200 last time I checked) remolded wheels.
I'll let you know about the tach's soon - sorry for the delay.

Thanks for the purchase. I hope you will be happy with it. If not, let me know. Peter
