

Sold on Ebay - '66 coupe Tri-Power 4-speed

Posted by OldInjun - 2013/08/28 17:16

Sorry I didn't see this one earlier:

[Click here for link](#)

Looks to me as if someone got a good buy (\$11,600) on a nice driver.

Mecum auction in Kissimmee recently sold a 65 convertible 4 speed with AC for \$48,000 + 6% buyer's commission. It looked like at least a #2 car. Would like to find a similar one, only automatic.
