

## If you no longer own your 2+2 or change your email

---

Please let me know if you sell your registered 2+2 or change your contact info/email, so we can update the Registry.

Should you sell your car, encourage the new owner to register it under their name. I will be then change your status to that of a "non-owner" member so you will retain website privileges, unless you advise me that you wish to be removed from the Registry.
