Some time ago Matt Planning & Bill Wieden teamed up to develop a car club plaque for the Big Pontiac crowd AKA "Darksiders". The first run of 50 plaques was quickly sold out, and a second run is scheduled once they get 50 orders. They make a great addition to your ride. Click here for link for a lengthy PY thread giving the details.

If you are attending the 2+2 reunion at Norwalk in August, the plaque is a must-have, as there is also a Darksider Reunion going on. Should be the best Norwalk ever!
